Issues of concern with a deep underground waste repository and progress with the 'Hinkley mud' issue and the Cardiff Deep Grounds

Tim Deere-Jones, independent marine radioactivity consultant

12.45pm Panel discussion and conclusions (for a 1.30pm conclusion)

**NFLA WELSH FORUM AUTUMN SEMINAR -
RESPONDING TO THE CLIMATE EMERGENCY, CREATING A
JUST TRANSITION AND CHALLENGING THE RADWASTE
LEGACY ISSUES IN WALES**

Friday 6th September, Committee Room 1, Civic Centre, Oystermouth Road,
Swansea, SA1 3SN – 10.30am – 1.30pm

This seminar is a public meeting open to all interested in the issues in promoting a green, low carbon energy future, a just transition to achieve it and the safe long-term management of Welsh radioactive waste.

This meeting has been organised by the Nuclear Free Local Authorities Welsh Forum. The seminar is a free event open to councillors, council officers, interested NGOs. If you are planning to attend, could you please fill in the appropriate details and post or email to the address at the bottom of this form:

Name	Authority / Group	Correspondence address (email or postal)

Venue:

The Civic Centre is close to the coast in Swansea city centre. It is just off the A4067 and the Swansea Maritime Quarter. It is a 12 minute walk from the train station. The train station has direct links with Cardiff, South and Mid Wales.

To download a map of the Civic Centre go to the following link – <https://www.swansea.gov.uk/civiccentre>

To find out about local hotel and guesthouse accommodation go to - <https://www.visitswanseabay.com>

**To register for this seminar, or for further information, email NFLA: s.morris4@manchester.gov.uk
Tel: 0161 234 3244
NFLA website: <http://www.nuclearpolicy.info>**

The NFLA sincerely thanks Swansea City & County Council for agreeing to host this NFLA Welsh Forum seminar.
