Join CND to protest against the return of US nuclear weapons to RAF Lakenheath!

CND condemns the return of US nuclear weapons to Britain: we must oppose this extremely dangerous and destabilising development. The US Department of Defense has added the UK to a list of NATO nuclear weapons storage locations in Europe being upgraded under a multi-million dollar infrastructure programme. This is widely understood to mean that US nuclear weapons will be coming to RAF Lakenheath, a base in the UK that is run by the US.

110 nuclear bombs were stored at the airbase until they were removed in 2008 following persistent popular protest, and they must not be allowed back.

Join us for a protest on 21 May 2022 outside RAF Lakenheath, Suffolk. Assemble for a rally and entertainment from 1pm-3pm.
