STOP TRUMP'S PLAN FOR ETHNIC CLEANSING

*Take to the streets on 15 February
to march to the US Embassy*

The grotesque statements by US President Donald Trump – that the US will ‘take over’ the Gaza Strip and forcibly remove the Palestinian population of more than 2 million – have exposed the long-standing Israeli plan for ethnic cleansing. For more than a year, Israel and its supporters have denied that the true aim of the genocidal assault on Gaza has been the destruction of the Palestinian population, and denial of all of their rights including the right to self determination. Backed and supported by the USA for its own imperial interests, that objective is now explicit.

We must act urgently to stop this monstrous plan. Join us on the streets of London on Saturday 15 February for a huge march from Whitehall to the US Embassy to send a clear message to the British government and to Trump – **FREEDOM FOR PALESTINE, NO TO ETHNIC CLEANSING, STOP ARMING ISRAEL.**
