COUNCIL MEMBERS' REPORT FOR THE YEAR ENDED 31 DECEMBER 2014

The Council (which is the board of directors for company law purposes) presents its report and the unaudited financial statements for the year ended 31 December 2014.

OBJECTS

The Campaign for Nuclear Disarmament (CND) seeks nuclear disarmament by Britain and worldwide and to promote and advance the welfare of the human community by working for international peace and disarmament and a world in which the vast resources devoted to militarism are redirected to the real needs of the planet and the human community.

PRINCIPAL ACTIVITIES

CND's principal campaigning activities are to inform, educate, lobby and engage people in diverse forms of activity to achieve its objects. It publishes periodicals and reports; it sends regular briefings to and meets with MPs; it lobbies UK ministers, ambassadors, diplomats, academics and opinion formers, both in person and by letter; it informs and educates its members and encourages them to take action; it holds street stalls, exhibitions, vigils, demonstrations and engages in non-violent direct action; it distributes leaflets and other materials, to inform the public on nuclear issues; it sends representatives to international disarmament conferences; it maintains contact and liaises with other organisations including regional and local groups within the UK, like-minded organisations in Europe and elsewhere, and specialist and expert organisations worldwide; it produces a schools pack, other educational materials, and provides speakers. At all times, it informs the media about its activities.

ORGANISATION OF THE CAMPAIGN

CND's annual conference is the policy-making body, establishes CND's strategy and sets priorities for the coming year. CND Council is the Board of Directors and is responsible for the implementation of policy as set by the Conference and meets three times a year. It monitors CND's finances and makes major financial decisions. Fifteen members of Council are directly elected by the AGM, and there are also representatives from the regions and specialist sections, as defined in Part 2 of CND's Regulations. The Officer team is the Management team and five of its members are elected at the AGM to direct CND's operations between Council meetings; a sixth member of the Officer team, the General Secretary, is an appointed staff position.

CND's staff work as a team, under the direction of members of the Officer team. Guidance is also provided by the Administration and Finance Group, and the Campaigns Group, which both meet four times a year. The Administration and Finance Group monitors financial performance against the budget, oversees fundraising, ensures that financial systems and controls are being followed and sets the budgets, including considering any amendments to the budgets, which are then approved by Council. It reports to Council. The Campaigns Group considers the details of campaigning programmes and ensures their integration with membership, fundraising and international work.

COUNCIL

The members of Council that served during the year are as on page 1. The Vice-presidents for 2014 were as follows:

Pat Arrowsmith
Dr John Cox
Joan Horrocks

COUNCIL MEMBERS' REPORT FOR THE YEAR ENDED 31 DECEMBER 2014

REVIEW OF PROGRESS AND ACHIEVEMENTS

During the year CND campaigned primarily on its core objectives of opposing the UK Trident nuclear weapons system and working towards global nuclear disarmament. The Scrap Trident Campaign was the main focus of 2014, in preparation for the 2015 general election. Other major campaigns focused on US Missile Defence and Weapons in Space, NATO nuclear weapons, nuclear power and anti-war campaigning.

Lobbying, letter writing, street campaigning, blockades, local meetings and parliamentary meetings have all been employed on CND campaigns. Much activity took place at local level, increasing awareness of and interest in peace issues and CND. CND assists local groups and activists through the provision of advice, encouragement, leaflets and other campaigning materials and the CND website continues to develop, providing up to date information on all activities.

CND undertakes extensive press work to maintain high profile coverage of CND and its issues. It lobbies diplomats, ministers and various officials and continues to work with its supporters in Parliament. It maintains regular contact with MPs, raises issues of concern, produces briefings, and seeks to influence the policy-making processes of the political parties and trade unions.

FUTURE DEVELOPMENTS

CND will continue to organise a broad range of activities involving its staff, regions, groups and members. It will send representatives to international conferences, political party conferences, trade union conferences and many other events. It will continue to work with other campaigning organisations and groups to achieve its objectives, and fulfil its conference decisions.

CND's efforts on fundraising and membership recruitment will continue. Fundraising, recruitment and profile raising will be maintained through CND's presence at festivals and events as well as through campaigning activities and the utilisation of new media.

CND is committed to maximising its use of its resources, including its staff, members, and investment in information technology equipment. It will continue to develop its publications, especially its website (<http://www.cnduk.org>).

FINANCIAL REVIEW

The results of the year's operations are set out in the attached financial statements. The total retained reserves at 31 December 2014 amounted to £533,526.

In preparing those financial statements the Council is required to:

- select suitable accounting policies and then apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements,
- prepare the financial statements on the going concern basis (unless it is inappropriate to presume that the Company will continue in operation).

(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2014

1. ACCOUNTING POLICIES

1.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008). The financial statements have also been prepared in accordance with applicable accounting standards and the Companies Act 2006.

The financial statements do not deal with any funds under the control of CND Representative Organisations. These are defined in the Campaign's constitution as CND national organisations, regional organisations, groups and specialist sections. All such organisations are entirely autonomous in their funding and decision-making. Details of transactions with these organisations are given in Note 13.

1.2 Company status

The Campaign is a company limited by guarantee. In the event of the Campaign being wound up, the liability in respect of the guarantee is limited to £1 per member of the Campaign.

1.3 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Council members in furtherance of the general objectives of the Campaign and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Council members for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Campaign for particular purposes. The costs of administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

1.4 Incoming resources

All incoming resources are included in the Statement of financial activities (SOFA), when the Campaign has entitlement to the funds, certainty of receipt and the amount can be measured with sufficient reliability.

Income from membership subscriptions and donations is accounted for on a cash received basis. Grants are accounted for in the period specified for their use by donors or, where there is no time restriction, when entitlement has been established. Legacy income is recognised when it is reasonably certain that a legacy will be received and the amount receivable can be reliably measured. All other income is accounted for on the accruals basis.

1.5 Resources expended

Expenditure is accounted for on an accruals basis.

1.6 Tangible fixed assets and depreciation

All assets costing more than £500 are capitalised.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2014

1. ACCOUNTING POLICIES (continued)

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Office equipment	-	4-8 years

1.7 Investments

Investments are stated at market value at the balance sheet date. The Statement of financial activities includes the net gains and losses arising on revaluations and disposals throughout the year.

1.8 Stock

Stocks are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads.

1.9 Pensions

The Campaign contributes 3% of gross salary to a nominated pension scheme for staff members if they also contribute 1.5% of their gross salary. The costs are allocated to activities on the basis of the staff members to whom the costs relate.

The Accumulated surplus includes a revaluation reserve of £30,378 (2013 - £25,561), which represents the excess of the value of the fixed asset investments over their historical cost of £50,000 as detailed in Note 6.

The General reserve was set up to allow an orderly wind-down of the Campaign, should this ever become necessary, and should be used for this purpose only. The balance in the reserve is maintained at approximately three month's core expenditure.

The purpose of the Fixed assets reserve is to reflect the Campaign's funds which are tied up in fixed assets and therefore not available for spending on other purposes. The year-end balance has been set to equate approximately to the net book value of fixed assets.

13. TRANSACTIONS WITH OTHER CND ORGANISATIONS

The Campaign makes grants to regional CND organisations (including contributions to the employment of staff in the regions) and specialist sections and the totals are shown in the Statement of Financial Activities.

The Campaign pays to Scottish CND a proportion, based on the number of Scottish members as a proportion of total Campaign membership, of legacies received by the Campaign after deduction of legacies received by Scottish CND. The net amounts payable of £11,193 (2013 - £15,999) are deducted in arriving at the Legacies income shown in the Statement of Financial Activities.

FOR THE YEAR ENDED 31 DECEMBER 2014

13. TRANSACTIONS WITH OTHER CND ORGANISATIONS (continued)

The Campaign also pays to Scottish CND the subscriptions received from Scottish members by CND on their behalf. The amounts concerned, £1,105 (2013 - £1,117), are deducted in arriving at the Membership subscriptions income shown in the Statement of Financial Activities.

Previously CND Cymru had a similar arrangement but since 2008 it has foregone its portion of future legacy income and membership subscription income in return for CND meeting its £15,000 per annum management and administrative support costs. In 2010 the Council agreed to make this alternative arrangement permanent. Had the old system remained in place, CND Cymru would have been entitled to £3,788 for legacies (2013 - £7,337) and £1,762 for membership subscription income (2013 - £1,968).

All amounts due were paid by the year-end except for the membership dues and legacy income share-outs which are paid in arrears.

As explained in Note 1.1 all these other CND organisations are completely autonomous and organisationally separate from the Campaign.

14. NUCLEAR EDUCATION TRUST

The Campaign works closely with the Nuclear Education Trust (NET), and has the right to appoint 3 of NET's trustees (which can number up to 9). During the year NET made grants of £133,333 to the Campaign for its acclaimed Peace Education work (2013 - £135,981). NET operates from the premises of the Campaign which provides administrative and other services to it in return for a management charge as shown on page 7. Both parties consider this charge to be a fair reflection of the value of services provided.
